FOR THE HIGHEST STANDARDS OF HYGIENE AND CARE

Premium hand cleansers combined with easy-to-use dispensers deliver the ideal hygiene solution for any washroom.

Hygiene

- Unlike bar soap, you can only touch the soap you use.
- Sealed cartridges protect cleanser prior to use, preventing contamination.
- Smooth rounded dispenser design means no dirt and dust traps so they're easier to keep clean.

User satisfaction

- Premium quality formulas care for your skin.
- Choice of soaps to suit every task.
- Easy to use single-handed push dispensing.
- One shot is enough, first time, every time.

Cost control

- High capacity, 1000ml cartridges are easy to load and reduce janitorial servicing.
- Stylish, durable dispensers are made from tough ABS plastic to keep performing longer.
- The tough, durable cartridges gradually collapse as the product is used to reduce the volume of waste.
