As a result of strong growth of our WYPALL\* X wiper products, KIMBERLY-CLARK PROFESSIONAL\* will increase our manufacturing capacity on a global scale. This will lead to a change in the source of manufacture for some wiper products. This decision allows us to continue our commitment to innovation by enabling a number of product improvements to be realised immediately as well as into the future. For more information, visit [www.kcprofessional.com](http://www.kcprofessional.com) or call customer care number Australia 1800 647 994, New Zealand 0800 447 814.
