

**WYPALL\* Colour Coded Heavy Duty Wipers - Physical Properties**  
**CONFIDENTIAL**

**Brand Title:** WYPALL\* Colour Coded Heavy Duty Wipers

**Description:**

WYPALL\* Colour Coded Wipers are versatile, offering effective and hygienic cleaning. The wipers are ideal for use in food preparation and food service applications. They can be used for soaking up spills, absorbing up to 7 times their own weight. They are reusable, are easily rinsed clean and are available in different colours for easy task segregation.

**Wiper Properties:**

Wiper property	Average	Test Method
Dry Strength (gf / 76mm) MD	10993	STM 5500
Dry Strength (gf / 76mm) CD	11737	STM 5500
Wet Strength (gf / 76mm) MD	8746	STM 5500
Wet Strength (gf / 76mm) CD	9622	STM 5500
MD Dry Stretch (%)	35.9	STM 5500
Water absorbency – specific capacity (g/g)	7.05	STM 2404
Water absorbency – wet out time (sec)	2.2	STM 2404
Water absorbency – capacity (g / 4" x 4")	4.23	STM 2401
Oil absorbency – specific capacity (g/g)	4.54	STM 2401
Oil absorbency – wet out time (sec)	24.5	STM 2404
Oil absorbency – capacity (g / 4" x 4")	2.9	STM 2401
